SHOPFITTING MENU

COAST-TO-COAST

For over 25 years, SHOPFIT EXPRESS has coordinated 1,000's of fixture, display, visual merchandising, graphic and vendor shop rollouts. We schedule deliveries with precalls and tracking, to ensure on time delivery, to, and within retail environments.

PROJECT MANAGEMENT

We project manage every aspect of your job. From consolidation of product from multiple vendors, to delivery and installation of a complete program. We provide online reporting of scheduling with status updates of projects.

LONG TERM CARE

Scheduled and ongoing programs to support your assessment, maintenance, and repair requirements. Our teams will initiate repair calls on a prescheduled timeline, or as needed to support emergency calls, when and where needed.

OUR TEAM

Dedicated project managers.
Personal account representatives.
National network of installers, service and repair technicians.
Customer service support – 24 /7/365.

READY TO WORK WITH YOU

From warehousing, to transportation to labour services, you can maximize your competitive advantage by using SHOPFIT EXPRESS' one-stop corporate solutions edge for all your retail service needs!

Anytime...Anywhere...Any size...Any weight.

Planning a Launch or Reset? Please contact us, we are ready to help.

ROLL OUTS

Through a specialized network of transport services we provide multi-store roll outs of uncrated, oversized, and awkward fixtures from glass to metal, providing real time status updates.

FIXTURE INSTALLATION

Nationwide network of qualified installers for set up and installation of displays and fixture roll-outs. We will provide field verification services and digital photographs of completed installations. We will remove and dispose of old fixtures.

PORT TO STORE

Upon receiving customs cleared containers we will deconsolidate and inventory the product, then pick and assemble knocked down furniture based on shipping instructions for final delivery to store.

SERVICE & MAINTENANCE

Our regional network of local field technicians, provides a national solution for all your service and maintenance requirements for kiosks, displays, vendor shops, and graphic programs.

PROJECT MANAGEMENT

SHOPFIT EXPRESS trains in-house specialists to your program's standards to minimize mistakes. We provide field verification services and digital photographs of completed installations.
